Program Information:

Presentations will be approximately 30 minutes long, with time for questions at the end.

Our program is completely free-of-charge for organizations that are located within 15 miles of The Ohio State Reformatory.

We are happy to schedule presentations outside of the 15 mile range, but will charge a fee for travel and time.

Travel fee will be quoted at the time of inquiry.

Due to our busy tour program, we are only able to schedule two community outreach visits per month.

Donations to help support the preservation and restoration of the historic Ohio State Reformatory are greatly appreciated. Donations can be made via check (made payable to MRPS) or credit/debit card at our online donation link: <https://app.donorview.com/1mJzx>
